

2017 NEW PARENT QUICK TIPS:

Welcome to Camp. We are so glad that you have chosen Camp Twin Lakes for part of your summer. Our Camp spans 50 acres and we host about 600 campers per day, but our care is always PERSONAL and you will get to know your counselor and Unit Coordinator of your campers group.

As you enter the YMCA parking lot at the E. Little Elm Trail signal, turn Left and stay in the LEFT LANE so that we can answer all of your questions about check-in & check-out. The RIGHT LANE opens 5 minutes before the gate so that we do not block any parked cars.

Take a moment to read the following 14 points, print the **Traffic Tip Sheet** so you are prepared for a problem free week and forward this email to others who may be dropping off or picking up your camper.

DETAILS:

1. The GATES to camp open at 7:00am for CHECK-IN and 4:15pm for CHECK-OUT
2. On Monday AM, "Dashboard Cards" will be distributed at your Unit drop off point. Keep these cards for all of your sessions and give to all people picking up. DISPLAY these cards each trip thru Camp.
3. Traffic is ALWAYS ONE WAY and exits out the South entrance.
4. If your camper is an Explorer; please stay in the LEFT lane
5. Your 4 digit Individual PIN NUMBER will be emailed on Sunday and is your access to check in/out EVERY TRIP.
6. Driver's License is NOT required as long as you have a PIN. Check in staff can always look it up for you.

8. Campers are NEVER released between 3:30-4:15pm as they are in transition back to the Unit, collecting belongings and getting ready for 4:15PM drive thru pick up.

10. Swim suit & towel should be sent each day
11. Lost & Found will be on display daily and taken to the porch of the Infirmary at the end of the day/week. We donate all unclaimed items at the end of each month.
